

ORGAN REPERTOIRE FOR FUNERALS

Ian Carson

Guide: -

June 2011
edition

- A word search may help find your item – thus **West** (Side Story) will bring up ‘Somewhere’.
- On most computers, if you key CTRL/f together (or the Apple key/f on Macs), you will get a window in which you can type your search word.
- You will find a short list of ‘**Hard to find Hymns**’ at the end.
- I have omitted the word ‘The’ where it begins a title – e.g. (The) Entertainer, (The) First Noel.
- Inclusion of a piece in this list does not imply that it is suitable.
- Please ask me if you wish to check accents and capital letters – don’t rely on this catalogue.

Please note: -

I have not listed all the major organ and piano works in my repertoire here, only ‘popular’ pieces. Many pieces are available for download in a form which I can play on the organ, so if the music you are looking for is not here, please ask me!
